WHEN I HEARD THESE PHOTOS MIGHT GET YOU AN AUDITION FOR A COMMERCIAL

I WAS WORRIED THIS WOULD BE TOO MUCH OF A HASSLE FOR YOU.

NOT IN THIS LIFETIME!

WELL I'M GLAD I ASKED YOU TO DO THIS, SHOUTA-KUN.

I'M THE ONLY ONE WHO KNOWS ABOUT KONOMI-CHAN'S DREAM AND THE BRILLIANT FUTURE AHEAD OF HER.

Weep

Weep

THE FACT THAT I'M EVEN SLIGHTLY CONTRIBUTING TO IT IS THE BIGGEST FUCKING HONOR AS ONE OF HER FANS!

NEXT UP IS THE JUNGLE GYM!

Okay!

WE GOT TWO ROLLS OF FILM LEFT. LET'S MAKE 'EM COUNT!

TSUYUSATO NATURE PARK

I'M GLAD I CAME TO THIS TIME PERIOD!

HUWOOHH

HUH? KONOMI-CHAN?

AND IS THAT SHOUTA-KUN WITH HER?

I WONDER WHAT THEY'RE DOING IN THAT SECLUDED SECTION OF THE PARK.

WAIT, ARE THEY ROMANTICALLY INVOLVED?

Afterword

★ Thank you for purchasing Mujaki no Rakuen: Vol 4. Wow, it seems like I've only released the first volume yesterday. At first I had some doubts about how much material would be available to support a series like this for a good amount of time. But as I kept drawing and drawing, I'm even surprising myself at how much my World of Innocence keeps expanding. So which girl should I cast next...? Whenever I do pick and choose from among my beckoning little ladies, feel some excitement mixed with some regret... but I always do it with a broad grin.

Anyway, this time around, thanks to the support of all you gentle readers, the Paradise of Innocence has made the leap from the paper medium all the way to the audio format. I'm pretty sure all of you who have gotten their hands on the drama CDs have already heard for yourselves. So what did you all think? I myself am very satisfied with how it turned out. Every one of my girls sounds cute! I was literally drooling while listening to their voices thinking, "Ahh, she sounds soo cute!" Of course, I now imagine my girls having the same voices as they do in the drama.

The drama CDs combine the creative passions of the scriptwriter, the director, and the voice actors, among others. The fact that I, the creator, had the chance to come to the studio and witness those professionals working their magic made me so happy that I wanted to cry. I also believe that *Mujaki no Rakuen* will continue to bring in more creative people who will generate a whirlwind of entertainment that will suck even more people in.

In these times we live in, there may be an unlimited amount of trumped up *sturm und drang* to be wary about, but I still wish to continue having fun producing something wacky and silly! Even if it's something completely useless, even if it's not "artistic" in any sense of the word, even if it's not "highbrow," I still think people's souls can be healed by something "silly," even if it's just temporary.

I hope you join me again in this delusional world known as the Paradise of Innocence.
I'll be waiting!
